CITY / STATE LOCATION: CMP Marksmanship Center; Anniston, Alabama

ELIGIBILITY: This competition is open to all competitors born in 1990 or later. All competitors must be individual members of USA Shooting.

In conjunction with this Junior Olympic State Championship, adults may participate in an Open Class event. Squadding priority will be given to juniors.

Effort will be taken to accommodate shooters with disabilities. Please notify the match director of any special accommodations which may be required.

RESIDENCE: Each competitor may claim residence in only one state and must declare the state of residence on the entry form. Residents are eligible for the 1st, 2nd and 3rd place USA Shooting State Champion medallions. Nonresidents may compete for automatic and at-large invitations to the National Championship and are encouraged to do so.

STATE RESIDENT QUALIFIERS: USA Shooting will issue official invitations to the National Junior Olympic Shooting Championships (NJOSC) for the high scoring male and high scoring female resident from each State JOSC, provided they fire a minimum qualifying score. Resident collegiate and/or military competitors are eligible for the state resident champion awards and are also eligible for resident state qualifier invitations.

ENTRY: Shooters **may not** compete in more than one state JOSC. Juniors who fire in their own home state JOSC will not be allowed to shoot in another state. Juniors from states which are not holding a state JOSC and those who cannot attend their own state JOSC will be allowed to enter the automatic/at-large division in another state. At entry, non-resident juniors must declare that they are shooting for an at- large/automatic invitation.

Residents may choose to enter the Automatic/At-large category instead of the Resident Qualifier category if they are confident they can shoot above the automatic score and secure an invitation. This would allow another competitor to receive the State Qualifier invitation.

- A. **Resident Qualifier** – Competitors shooting in their declared state of permanent residency. Competitors in this category are eligible to be the state resident qualifier to the National JOSCS.
- B. **Automatic/At Large** – Competitors shooting in other than their declared state of residency are eligible for at-large/automatic invitations to the National JOSCS.
